INDEPENDENT AUDITOR'S REPORT  
To: The Members of Great Southern Community Legal Services

**Report on the Financial Report**

We have audited the accompanying financial report of Great Southern Community Legal Services, which comprises the Statement of Financial Position as at 30 June 2025, the Statement of Comprehensive Income, Statement of Changes in Equity, Statement of Cash Flows for the year then ended and notes comprising a summary of significant accounting policies, other explanatory information, and the statement by committee members.

In our opinion the financial report of Great Southern Community Legal Services, has been prepared in accordance with Division 60 of the Australian Charities and Not-for-Profits Commission Act 2012, including:

- (a) giving a true and fair view of the association's financial position as at 30 June 2025, and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards to the extent described in Note 1, Division 60 the Australian Charities and Not-For-Profits Commission Regulation 2013.

**Basis of Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report. We are independent of the association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the association's financial reporting responsibilities under the ACNC Act. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

**Responsibility of the Management for the Financial Report**

Management of the association are responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the ACNC Act and the needs of the members. Management's responsibility also includes such internal control as management determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management are responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so. Management are responsible for overseeing the association's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the association.
- Conclude on the appropriateness of the association's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with Management regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Report on Other Legal and Regulatory Requirements

In accordance with the requirements of section 60-30 of the ACNC Act. We are satisfied that:

- a) we have received all information, explanation and assistance necessary for the conduct of the audit.
- b) management has kept financial records sufficient to enable a special purpose financial report to be prepared and audited.
- c) except for an asset register, management has kept other records as required by the ACNC Act.

NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS  
FOR YEAR ENDED 30 JUNE 2025**

**NOTE 1 – STATEMENT OF ACCOUNTING POLICIES**

The Committee of Management have prepared the financial statements on the basis that the entity is a non-reporting entity because there are no users dependent on general purpose financial reports. This financial report is therefore a special purpose financial report that has been prepared to meet Committee of Management's financial reporting requirements under the Great Southern Community Legal Services constitution.

The financial report has been prepared in accordance with the significant accounting policies disclosed below, which the Committee of Management have determined are appropriate to meet the needs of the members. Such accounting policies are consistent with the previous year unless stated otherwise.

The financial report has been prepared in accordance with the requirements of the Associations Incorporation Act 2015 of Western Australia and the following Australian Accounting Standards:

AASB 101, Presentation of Financial Statements  
AASB 107, Statement of Cash Flows  
AASB 108, Accounting Policies, Changes in accounting Estimates and Errors  
AASB 1031, Materiality  
AASB 1048, Interpretation of Standards  
AASB 1054, Australian Additional Disclosures.

No other applicable Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on a modified accrual basis of accounting including the historical cost convention and the going concern assumption.

The following material accounting policies, which are consistent with the previous years unless otherwise stated, have been adopted in the preparation of the financial report:

**a) Income Tax**

Charitable Institution

The Australian Charities and Not-for-Profits Commission has registered the association as a Public Benevolent Institution. Consequently, the Australian Taxation office has endorsed the association and it is eligible for the following concessions:

- (i) GST concession;
- (ii) FBT Exemption;
- (iii) Income taxation exemption.

No change in its tax status as a result of activities undertaken during the year is likely.

**b) Cash and Cash Equivalents**

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

**c) Inventories**

Inventories held for use in operations have been valued by using the weighted average cost on a continual basis, after adjustment for loss of service potential.

Inventories held for resale have been valued at the lower of cost and net realisable value.

**GREAT SOUTHERN COMMUNITY LEGAL SERVICES  
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS  
FOR YEAR ENDED 30 JUNE 2025**

---

**d) Investments**

Investments comprise available-for-sale financial assets designated as available-for-sale, but which are not deemed to be held principally for trading purposes, and include equity investments. Investments are initially recognised at fair value plus transaction costs.

Subsequent gains or losses arising from changes in fair value are included as a separate component of equity in the available-for-sale revaluation reserve except for interest, dividends and foreign exchange gains and losses on monetary assets, which are recognised directly in the income statement. When the investment is sold, the cumulative gain or loss relating to the investment is transferred from the available-for-sale revaluation reserve to the income statement.

**e) Property, Plant and Equipment (PPE)**

Property, plant and equipment is generally measured on the cost basis less depreciation and any impairment losses.

Impairment losses, in accordance with Accounting Standard AASB 136 "Impairment of Assets" is the amount by which the carrying amount of an asset or a cash-generating unit exceeds its recoverable amount. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use. Fair value less costs to sell is the amount obtainable from the sale of an asset in an arm's length transaction between knowledgeable, willing parties, less the costs of disposal.

Right of use assets where a lessee is granted the right to use an asset over the life of the asset have not been brought to account in accordance with AASB16 "Leases"

**Materiality**

Assets with an economic life in excess of one year are only capitalised where the cost of acquisition exceeds materiality threshold of \$ 1,000.

**Depreciation**

The depreciable amount of plant and equipment is depreciated on a diminishing value and straight line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired year of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation Rate
Motor Vehicles	22.5% DV
Plant & Equipment	100%

**f) Employee Benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting year. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

**g) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result, and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting year.

**GREAT SOUTHERN COMMUNITY LEGAL SERVICES  
NOTES TO AND FORMING PART OF THE FINANCIAL STATEMENTS  
FOR YEAR ENDED 30 JUNE 2025**

---

**h) Revenue and Other Income**

Non-reciprocal grant revenue is recognised in profit or loss when the entity obtains control of the grant, and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Donations and bequests are recognised as revenue when received.

Interest revenue is recognised as it accrues using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument.

Dividends are recognised as revenue when received.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

The fair value of volunteer services contributed has not been recognised in accordance with AASB 1058 "Income of Not for Profit Entities". As a consequence, no volunteer labour expense and correspondingly no volunteer income has been brought to account.

**i) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Tax Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the assets and liabilities statement are shown inclusive of GST.

**j) Going Concern & Economic Dependency**

The accounts have been prepared on a going concern basis. The ability of the association to continue as a going concern is dependent upon continued support from the Commonwealth Government. At the date of this report the committee have no reason to believe that the Commonwealth Government will not continue to fund the operations of the association.

**k) Comparatives**

Comparative figures for the previous year have been reclassified to conform to the new format financial report.

**l) Provision for IT & Communications**

In accordance with adopted policy the Association makes an annual allocation from operating expenses to the Provision for IT & Communications based on budget. Expenditure on replacements is then made from the provision. Movement in the provision during the years:

	2025	2024
	\$	\$
